We met in the springtime  
When the blossoms unfold  
The pastures green  
And the meadow gold  
Our love was in flower  
As the summer grew on  
Her love like the leaves  
Have all withered and gone  
Roses have faded  
And there's frost at my door  
The bird of the morning  
Wont sing anymore  
The grass in the valley  
Has started to die  
And out in the darkness  
The whippoorwill cry

Alone and forsaken  
By fate and by man  
O lord if you hear me  
Take hold my hand

Where has she gone to  
Where can she be  
She may have forsaken  
Some other like me  
She promised to honor  
To love and obey  
Each vow a plaything  
She threw away  
The darkness has fallen  
The sky turns gray  
The hound in the distance  
Has started to bay  
I wonder ã,â i wonder  
What she's thinking of  
Forsaken ã,â forgotten  
Without any love

Alone and forsaken  
By fate and by man  
O lord can you hear me

Take hold my hand

Alone and forsaken  
By fate and by man  
O lord can you hear me  
Take hold my hand

Alone and forsaken  
By fate and by man  
O lord can you hear me  
Take hold my hand
