(music arcwelder, words s macdonald)
I'm not gonna tell ya cause you'll just say to me that these things happen when you don't take care of yourself
I wanna know why it has to be that I can feel this nagging pain all the time
I wanted to be invincible I wanted to be made of steel all I had to do was take a box from the shelf
All I know is IÃƒÂ¦Ã…Â Ã…Â½ like to feel the way I did when innocence was once mine

Oh what have I done to me now
Oh what have I done to me now

IÃƒÂ¦Ã…Â Ã‚Â¦ not gonna ask you cause thereÃƒÂ¦Ã…Â Ã‚Â¯ do much to do when money is your only goal you live and die by the knife
Soaring building fall down on you happy people never use the old roads
Better put the blinders on cause I donÃƒÂ¦Ã…Â Ã‚Â° wanna see the way all of these little things take away from my life
Competition grinds on me the business world is dominated by toads

Oh what have I done to me now
Oh what have I done to me now

I wonÃƒÂ¦Ã…Â Ã‚Â° even tell ya cause thereÃƒÂ¦Ã…Â Ã‚Â¯ too much to say when I say nothing but should have spoken for hours
You always go back to the start people with fragile hearts shouldnÃƒÂ¦Ã…Â Ã‚Â° be building glass towers
Morals come crashing down when passion gets in the way I think we both know what he wanted to take
I always seem to back my heart into a corner where I know it will break

Oh what have I done to me now
Oh what have I done to me now
