Take the "e" train babe
Take the easy train to austin

Take the "e" train babe
Take the easy train to austin

Baby you been ridin' that train so long
Lord knows when you'll come home

Come on ride with me baby
All the drinks are on me
Come on ride with me baby
All the drinks are on me
Honey you know there ain't no last call
When you ride on the "e"

Let your light shine down
Let it shine down on me

Let your light shine down lord
Let it shine on me
Lord let your good light shine
Let it shine on the "e" train

Take the "e" train

Baby take the "e" train
Take the easy train to austin
Honey you been ridin' that train so long
Lord knows when you'll come home
