Give Praise to Rastafari
And all praises unto Jah
Give Praise to Rastafari
And all praises unto Jah

So many days, So many nights, I face this rugged life
Went thru some fire just to get a bite
My friends and my environment
Sometimes they do me wrong
But by my faith I keep holding on
For I:

Give Praise to Rastafari
And all praises unto Jah
Give Praise to Rastafari
And all praises unto Jah

The youth today are so confused they don't know what to do
They fuss and fight for what they think is right
Life for them seems so hard they don't know where to turn
With Lessons they need to learn

Give Praise to Rastafari
And all praises unto Jah
Give Praise to Rastafari
And all praises unto Jah
Okay

Okay

Hope is there for all to share
We need to live as one
Love and Care to keep us firm and strong
So for all these thoughts
I call on thee
Please listen to my song
Together this battle must be won

Give Praise to Rastafari
And all praises unto Jah

Give Praise to Rastafari
And all praises unto Jah
