Chicken and chocolate dancing
Milkman got the blues
They suck him off on dairy cock
And who the hell are you
The chicken knows, yeah
Just how it goes, yeah
It's what he butt answered
The chicken blows, yeah
Let's stab ourselves, yeah
Chicken and chocolate praying
Stormtrooper got the blues
They suck him off on plastic cock
And who the hell are you
The chicken knows, yeah
Just how it goes, yeah
It's what he butt and said
The chicken blows, yeah

Just what he knows, yeah
(_____
He said the devil's narcotic
Wishing he was, but he wasn't
And it is... stupid, stupid, stupid...)
The chicken knows, yeah
Just what he sold, yeah
He smoked a butt and said
The chicken knows, yeah
Just how it goes, yeah
