Markowski

Sometimes when I need a break
That's the time when my heart aches
Sometimes when I want to run
'Round the corner, baby, here I come.

I hope this road goes on forever
Hope you're down for the ride
You and me, we belong together
Hope you're down for the ride.

Sometimes when I'm feeling stuck
I think about you, how you changed my luck
Sometimes when I push too hard
I â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦.

Hope this road goes on forever
Hope you're down for the ride
You and me, we belong together
Hope you're down for the ride.

Sommetimes, all I see is black
Thank you for bringing color back
Don't want to pick up the phone
Step on the gas, baby, I'm coming back home.

Hope this road goes on forever
Hope you're down for the ride
You and me, we belong together
Hope you're down for the ride
I hope you're down for the ride
Hope you're down for the ride.
