I keep losing everything and I think I'm losing myself in this empty space caused by all the things I've lost. I keep losing everything I get I lose track of time and I don't know where I'm at sometimes I forget the alphabet too but oo oo oo oo I'm hangin' on to you cause you're the only thing I got left to lose and I can't let you disappear so I'm not gonna screw this up here if it's the last thing I ever do, I'm hangin' on to you. When I look at your face I feel like I gotta place my hand on your knee surreptitiously on top of each kiss I'm stealing you know that I can't stop unpeeling you I feel so down when I'm not feeling you up so oo oo oo oo I'm hangin' on to you cause you're the only thing I got to hang on to I can't let you get away I can't think of a better way if it's the last thing I ever do I'm hangin' on to you oo oo oo oo oo oo oo oo oo oo oo oo oo-ie oo oo oo oo oo oo I'm hangin' on to you cause you do everything I'm into time is of the essence I'd like to deal with this mess inside if it's the last thing I ever do I'm hangin' on to you.
