Thank You For Your Love-Michelle Wright
[Michelle Wright, Russ DeSalvo, Arnie Roman]

I found your note on the kitchen table
Baby don't apologize
There's no easy way to say it
When your heart has crossed that finish line
Oh how we fought ÃƒÂ¦Ã¢Â€Â Ã‹Â†il the hour was late
Never stoppin to think
We were just fighting fate

CHORUS:
You're gone
That's as it should be
We were all that we could be
But it wasn't enough
It's not your fault
It's not my fear
We just never really belonged here
And our time was up
Still I want to thank you for your love
I just want to thank you for your love
We were giving, we were gentle
In a world that can be unkind
It was sweet and sentimental
It was love, and love's so hard to find
But in the end there's that still little voice
That comes in the night
And leaves you no choice

CHORUS

It's not your fault
It's not my fear
We just never really belonged here
And our time was up
Still I want to thank you for your love
I just want to thank you for your love
