At the dark end of the street
That is where we always meet
Hiding in shadows where we don't belong
Livin in darkness to hide alone
You and me
At the dark end of the street
You and me

I know time is gonna take its toll
We have to pay for the love we stole
It's a sin and we know its wrong
Oh..but our love keeps goin' on strong
Still the way
To the dark end of the street
You and me

Their gonna find us
Their gonna find us
Their gonna find us love some day
You and me
At the dark end of the street
You and me

And when the daylight hour rolls around
And by chane we'll both die in nother town
We should meet, just walk, walk on by yeah
Oh dark end, please don't you try
To not be beat
At the dark end of the street
mmmmmmmmmmmmmmmmm.....
