For you to live
You must die
Now's the time
To take your life
Say good-bye
To your ties
Come and try
Suicide
Kill your self
Dead man walking
Kill your self
Dead man walking
Misery loves company
Hanging tree
Eternity
Embrace you
Not in kool-aid
Or outer space
To be saved
Is in your faith
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
Kill your self
Dead man walking
