!! need a dollar
For the Value Meal
I need a burger
I'm getting desperate here
I need a dollar
For the Value Meal
I need a burger
I'm getting desperate here

I've got 14 cents and it's not even funny
I don't think I've ever been quite this hungry
I'm almost out of time, I think I'm losing too much
weight
I haven't had a burger in about 2 days

VAAAAAALUUUUEEEE
MEEEEEEENUUUUUUUUU
VAAAAAALUUUUEEEE
MEEEEEEENUUUUUUUUU

500 burgers and a Super Size fry
Coke with no ice in a super golden cup
1000 burgers, to McDonald's I'll crawl
Seriously, I'm gonna eat them all

6 billion burgers!!!
I'm really hungry!!!
8 billion burgers!!!
All in my tummy!!!

BUUUURGEERRRRR
