Well, alright you squares it's time we smoked
Get on up this funk and lets have a toke
Itll make you dance and some of everything
Everybody get high, sing
Bustin out
Bustin out (Sing)
Bustin out
Bustin out
Bustin out
Were bustin out of this L-Seven square
Freaks like you and I could never funk from there
Were bustin out, everybody come along
Were gonna dance on the funk and make love on this
song {Bustin out}
Were bustin out and if everyone agrees
Put your hands in the air and sing along with me
