On my way to the county line again, sheriff's on my trail
And if he catches up with me I ain't got any bail
Bluesuits breakin down doors to find me, want to bring me in
For bringin' in sin to all of the kids from the town hall to the farmlands

On my way to the county line again, better hold the wheel
Or you'll be running the ??? up to the hills
??? of American kids who wanna send me off to jail
On my way to the county line again, sheriff's on my trail

Supercreep (x2)

Yeah

We'll head for the county line cause it's time for bringin' down the cops
City limit's out of control
??????????????????? sick of my soul

We must speak a brand new language and I hope we will
On my way to the county line again, sheriff's on my trail

Hey
I'm a superfreak
I'm a supercreep
