C'mon kids you know you want to party.  
Just be sure to not bring Bacardi.  
We are the kids who are posi here.  
So remember to bring some room beer!

We are the kids who control your heart.  
Our controllers are doing their part.  
With a slight push of a botton.  
You know your booty will be bumpin.

Get crunk!

My room always welcomes the Downs and Jesse  
Jackson.  
And at the end of the night, everyone's getting action.  
Meet the Brian Peppers of my High School.  
I know this girl that thinks old men are really cool.  
Megadeth operates the in 817.  
817-992-4303.  
Give us a call.  
Hit us up.  
18z getting' crunk!  
Give us a call.  
Hit us up.  
18z getting' crunk!

F.O.U.R year that's a long time!

[Just dis me this sandwich motherfucker!?!]
