Spin that shit  
Word  
Bitch  
1-800-Zombie are skilled at what they do  
They drop rhymes every second just to annoy you  
We've got the synth beats, the vocals that blow your  
minds  
All you have to do is remember to get to the shows on  
time  
We've got two young ladies that possess big ol' booties  
And all the boys want to jump on the fuckin' goody  
goodies  
When you hear our songs, you know they make you get  
busy  
But that's okay, we approve of the nitty gritty

The zombies got the funk that makes you jump  
You will get your GameBoys quick or just straight up  
pump  
The zombies got the funk that makes you jump  
You will get your GameBoys quick or just straight up  
hump  
We don't fuck around with you kids when it comes to  
games  
It's just how we live our lives; the Yoshi Yoshi way  
I hope that you can handle all the delicious that we got  
Because the way that we push the button, we're sure to  
make you hot

The zombies got the funk that makes you jump  
You will get your GameBoys quick or just straight up  
pump  
The zombies got the funk that makes you jump  
You will get your GameBoys quick or just straight up  
hump

I hope you got it down about just what we do  
We will LOL all over, all over you  
You don't mess with us because our flow is so phat  
I guess I'll leave it here  
I guess that is that
