Making your way in the world today

Takes everything you've got;

Taking a break from all your worries

Sure would help a lot.

Wouldn't you like to get away?

All those night when you've got no lights,

The check is in the mail;

And your little angel

Hung the cat up by it's tail;

And your third fiance didn't show;

Sometimes you want to go

Where everybody knows your name,

And they're always glad you came;

You want to be where you can see,

Our troubles are all the same;

You want to be where everybody knows your name.

Roll out of bed, Mr. Coffee's dead;

The morning's looking bright;

And your shrink ran off to Europe,

And didn't even write;

And your husband wants to be a girl;
Be glad there's one place in the world
Where everybody knows your name,
And they're always glad you came;
You want to go where people know,
People are all the same;
You want to go where everybody knows your name.
Where everybody knows your name,
And they're always glad you came;
Where everybody knows your name,
And they're always glad you came;
