I'm radio

Oh oh oh

Oh oh oh

You're turning on

You're turning on my radio

Oh oh

Oh oh oh

You're turning on

Are you radioactive

Cause, baby, there's a buzz in my ear

Something on the airwaves

Kickin' up the atmosphere

Static in my veins when you're coming through

Here it comes again can you feel it too

Ref.: Oh oh oh

Oh oh oh

You're turning on

You're turning on my radio

Oh oh

Oh oh oh

I'm burning up

Baby can you feel it glow

Oh oh

Oh oh oh

You're turning on

You're turning on my radio

Oh oh oh

Oh oh oh

You got me waiting

Waiting for the late night show

Anticipating baby I can never say no

Riding on the waves oh I'll make you see

Everything that's playing on my frequency

Ref.: Oh oh oh...

Turn it on

Turn me up  
Gimme everything you've got  
Turn it on  
Turn me up  
Yeah I'll tell you when to stop x2

Ref.: Oh oh oh  
Oh oh oh  
You're turning on  
You're turning on my radio  
Oh oh  
Oh oh oh  
I'm burning up  
Baby can you feel it glow  
Oh oh  
Oh oh oh  
You're turning on  
You're turning on my radio  
Oh oh  
Oh oh oh  
I'm burning up  
Baby can you feel it glow  
Oh oh  
Oh oh oh  
You're turning on  
You're turning on my radio  
Oh oh oh  
Oh oh oh
