How can I just let you walk away  
Just let you leave without a trace  
When I stand here taking every breath with you (ooh..)  
You're the only one who really knew me at all  
How can you just walk away from me  
When all I can do is watch you leave?  
'Cause we shared the laughter and the pain  
And even shared the tears  
You're the only one who really knew me at all  
So take a look at me now  
There's just an empty space  
There's nothing left here to remind me  
Just the memory of your face  
But take a look at me now  
There's just an empty space  
And you coming back to me is against the odds  
And that's what I've gotta face  
I wish I could just make you turn around  
Turn around and see me cry  
There's so much I need to say to you  
So many reasons why

You're the only one who really knew me at all

So take a look at me now

There's just an empty space

And there's nothing left here to remind me

Just the memory of your face

But take a look at me now

There's just an empty space

But to wait for you is all I can do

And that's what I've gotta face

Take a look at me now

I'll just be standing here

And you coming back to me

Is against the odds

And that's a chance I've gotta face

Take a look at me now

Take a look at me now

(Take a look at me now)

Take a look at me now

(Take a look at me now)

Take a look at me now

(Take a look at me now) [2x]

Take a look at me now

(Take a look at me now) [2x]

Take a look at me now

(Take a look at me now) [2x]

Take a look at me now

(Take a look at me now)

Take a look at me now
