Just When I thought I was lucky,
you came and ruined it for me.
Everything was so perfect
Saddly you, couldnt just work it.
(dont dont dont wanna, dont dont
dont wanna play now.) [X2]

You did not know how much,
I cared for you.
Now tell me something new... [X2]

chorus:

I'm Not a pot of Gold.
I'm Not a lucky pencil.
I'm Not a charm bracelet.
Can you please tell me?
I dont have luxury
I'm not satisfied... if I'm not with...
with you yeah.

*repeat chorus.

do do dont wanna play...

do do dont wanna play now..

yeah...

I try to keep my tears in,
becasue I still like you.
