## **Potato Eaters** "Gone"

Visit "Gone" on MotoLyrics.com

me and you gone me and you you and I

I wanna make you wanna make me wanna make you wanna cry

(I see how you deceive me now)

I wanna make you wanna make me wanna make you wanna die

me and you slide me and you stay inside

you made your way around the world you made your way around me leave me standing alone leave me be

me and you choose me and you

me and you you and I
