Hope rises,
Only to be crushed by reality dawning,
Surprises,
Take those hopes and send them soaring.
I cant, I can't, take another heartbreak,
I can't, I can't take it.

CHORUS

I'm not even far away yet so close,
I'm simply far away,
Oh look I think this is another almost,
Or is it even that? Who knows?

I thought that,
I had finally found the smiles without the sadness,
I forgot,
That love doesn't work like that for me.

I cant, I can't, take another heartbreak,
I can't, I can't take it.

CHORUS

I'm not even far away yet so close,
I'm simply far away,
Oh look I think this is another almost,
Or is it even that? Who knows?

I don't want to make another mistake,
I'm fed up of trial and error,
I don't want to make another mistake,
I just want forever please.

CHORUS

I'm not even far away yet so close,
I'm simply far away,
Oh look I think this is another almost,
Or is it even that? Who knows?

Thanks to feel
