Staring into your bright eyes,
Is all i want to do,
I would say I can see through your disguise,
But you don't have one.
Every smile is a wonderful surprise,
I wish I could see it every day, every night.
And if I could wake up next to you I would say...

CHORUS

Goodmorning sleepyhead,
Oh, time is running fast,
So lets make the most of the day ahead.
Goodmorning sleepyhead,
You've got some work to do ooh,
Just hold me till the day is through.

Being apart from you right now,
Is harder than I thought it would be,
To think that by tomorrow we'll be further,
I can't even think about it.
Every smile is a wonderful surprise,
I wish I could see it every day, every night.
And if I could wake up next to you I would say...

CHORUS

Goodmorning sleepyhead,
Oh, time is running fast,
So lets make the most of the day ahead.
Goodmorning sleepyhead,
You've got some work to do ooh,
Just hold me till the day is through.

Ooh, ooh, ooh, oh,
Its not long now darling,
Ooh, ooh, ooh, oh,
Not long.
Ooh, ooh, ooh, oh,
If you woke up next to me,
I would I would I would say...

CHORUS

Goodmorning sleepyhead,
Oh, time is running fast,
So lets make the most of the day ahead.
Goodmorning sleepyhead,
You've got some work to do ooh,
Just hold me till the day is through.
Goodmorning sleepyhead,
Oh, time is running fast,
So lets make the most of the day ahead.
Goodmorning sleepyhead,
You've got some work to do ooh,
Just hold me till the day is through.

Thanks to feel
