Hey yea
Who needs friends when you've got plastic kit?
You just want to make it cold until it's burning
Hey yea, don't stop this
Go get your kicks from a cops fist

Got a brand new stain?
Looks so good
A brand new stain?
It's a fashion
Lovely once again

Know what I've got
Know what I've got
Lovely once again
We should kick this place right in the crotch, dear
Well I'll take this piss test 'cause we're yours, dear

Hey yea, don't stop this
Go get your kicks from a cops fist
Got a brand new stain?
Looks so good
A brand new stain?
It's a fashion

Whoa
Hey yea
Don't stop this
Go get your kicks from a cops fist

Got a brand new stain?
Looks so good
A brand new stain?
It's a fashion
Lovely once again

Know what I've got
Know what I've got
Lovely once again
