Monkey im your man
Bored with being weird
I wont make a sound?
Im lookin at me
White hands
White sheets
Im sick of camera watching
Im falling in my protest
What's your name, got your name
I'll yell until you'll notice
What's your name, got your name
We could have some fun
Swinging from a string
White hands
White sheets
You look like you could be clean
Im falling in my protest
What's your name, got your name
I'll yell until you'll notice
What's your name, got your name
Baby
Save me
White hands
White sheets
Im sick of camera watching
Im falling in my protest
What your name, got your name
I'll yell until you'll notice
What's your name, got your name
Baby
Save me
