Tell me now that we never will part

Both:

I will pawn you my gold watch and chain, love

I will pawn you my gold wedding ring

I will pawn you this heart in my bosom

Only say that you love me again

Meryl Streep:

Oh, the white rose that bloomed in the garden

Well, it died, dear, when you broke my heart

It first bloomed on the day that I met you

Only now we have fallen apart

Both:

I will pawn you my gold watch and chain, love

I will pawn you my gold wedding ring

I will pawn you this heart in my bosom

Only say that you love me again

Meryl Streep:

Don't you know that I gave you my heart, love

It was given and can't be returned

You have left me and gone to another

All my hopes and bridges are burned

Both:

But I will pawn you my gold watch and chain, love

And I will pawn you my gold wedding ring

I will pawn you this heart in my bosom

Only say that you love me again

Only say that you love me again

Only say that you love me again
