"lyrHow pale is the sky that brings forth the rain
As the changing of seasons prepares me again
for the long bitter nights and the wild winter day
my heart has grown cold my love stored away
my heart has brown cold my love stored away

I've been to the mountain left my tracks in the snow
where souls have been lost and the
walking wounded go
I've taken the pain no girl should endure
but faith can move mountains of that I am sure
Faith can move mountains of that I am sure

Get me though December
A promise I'll remember
Just get me though December
So I can start again

No divine purpose brings freedom from sin
and peace is a gift that must come from within
I've looked for the love that will bring me to rest
Feeding this hunger beating strong in my chest
feeding this hunger beating strong in my chest

Get me through December
A promise I'll remember
Just get me through December
So I can start again here"
