Welcome to the realm where the glory don't stop
Where your feet stay locked when atop of battle block
Cornerstone buildin' from the floor to the ceiling
Set it in flames watch what the fire revealin'

Pass the hills for direction follow the vocal inflection
Ricocheting inside brain section
Joy for the frowning to keep'em from downing,
drowning
Feeling protection of angelic surrounding

The feeling getting marked by God is so astounding
Loving how of life begins sounding
Walk in triumph full of faith, you know
Champions sing the hook when you hear the notes

From the bottom to the top of the globe
You better turn the radio up
(Live to the music)
A fresh crib or a humble abode
You better turn the radio up
(Live to the music)

Down low with a hole in your soul?
You better turn the radio up
(Live to the music)
This song will bring calm in the middle of storms
You better turn the radio up
(Live to the music)

Whether you comin' or goin' you better boost this
Sound repetitive? Just
(Live to the music)
Choose a track and skip through confusion
Dance to a sound where you can't stay loosin'

A clear sound no musical illusion
Follow the maestro when his hands keep movin'
Go to the next plateau, level, like Hendrix
Jimi open your and set it off the hinges

So sick, when you see sin your skin cringes

You wanna radio edit or remix extended?
Words in stereo with the proper grounding
Feel the bass in the space when your heart keep
pounding

Do you know your producer? Nah?
Get a tweekin', then find yourself through dimensions
that he see in
He rose and overcame just so one could overcome
Blood written composition when it finally done

You could live to the right mix, no obscene blends
Get refreshed in the presence even when the scene
ends
Know why you exist and your script flips drastic
And the plot thickens more than local game day traffic

Purpose for your design lies in designer
I know you think your fine but he?ll make you finer
You tired of the dark? Then strike the lighter
Many blind leading blind making blind blinder
