We here headed to Seattle
Promotion sickness on the road
Takin' it home to rock it out for the kids
Dropped a tranny, jumped a railroad
And went through a music store
If you want to buy a van we're taking bids

And the Devil shivered in his sleepin' bag
he said traveling down the road is such a drag
If we make it home by Friday we can brag
And the Devil shivered in his sleepin' bag

Well i just got back from Austin
Ron and Guy-O done it all
Funky Weasles there for all the world to see
Lord, i hear an angel strummin'
In a bar under the stars
Junior Brown, Junior Browne, pick for me

And the Devil shivered in his sleepin' bag
he said traveling down the road is such a drag
If we make it home by Friday we can brag
And the Devil shivered in his sleepin' bag
