Freckles and eyes of brown
I'll take a big patty of cow
Beautiful pearly statue
I couldn't eat meat without you

You're my little Indian Princess
Little Indian Princess
Little Indian Princess

Took her off the vegetation
Took her by the arm
Selling E Coli burgers
Couldn't do no harm

You're my little Indian Princess
Little Indian Princess
Little Indian Princess

Took her off the vegetation
Took her by the arm
Selling E Coli burgers
Couldn't do no harm

And I'd use any reason
I'd use any trick
Just to spend my loose change
On a fist sized ice cream cone at Dick's

Little Indian Princess
Little Indian Princess
Little Indian Princess
Little Indian Princess
