Freckles and eyes of brown  
I'll take a big patty of cow  
Beautiful pearly statue  
I couldn't eat meat without you

Little indian princess

Took her off the vegetation  
Took her by the arm  
Selling e-coli burgers  
Couldn't do no harm

Little indian princess

Took her off the vegetation  
Took her by the arm  
Selling e-coli burgers  
Couldn't do no harm  
I'd use any reason  
I'd use any trick  
Just to spend my loose change  
On a fist sized ice cream cone at dicks

Little indian princess
