Well the night's begun
And you want some fun
Do you think your gonna find it
(Think you're gonna find it)
You gotta treat yourself like number one
Do you need to be reminded
(Need to be reminded)

It doesn't matter what you do or say
Just forget the things you've been told
We can't do it any other way
Everybody's got to rock and roll
Whoa-oh-oh!

Shout it, shout it, shout it out loud
Shout it, shout it, shout it out loud

If you dont feel good
Thre's a way that you could
Don't sit there broken-hearted
(Sit there broken-hearted)
Tell your friends in the neighborhood
Get the party started
(Get the party started)

Don't let them tell you that there's too much noise
They're too old to really understand
You still get rowdy with the boys and girls
Beцуase its time for you to take a stand
Yeah-yeah-ee!

Shout it, shout it, shout it out loud
Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud
(You gotta have a party) (x7)

Shout it, shout it, shout it out loud
