You, Lynyrd Skynyrd hat,
And me little kitty.
Sat across with a velvet jacket,
Wild orange hair and dark dark eyes.
I gawked, like a twelve year old smitten.
Carla the stripper,
Strait from L.A.
"You seem cool for a naked chick in a booth,
Lets be pals some day".
In other words:
"Put some clothes on and call me"

(chorus)
I saw you,
It was incredible.

Slim, relaxed, unwind at the QFC
On a snowy saturday night.
Black pearls and i swear you were drinking beer,
You were the redhead behind the counter there.
I'm the one who fell out of his chair there,
You had your dry cleaning and i think you're dreamy.

(chorus)
I saw you,
It was incredible.
Mumbled these words at you,
Unintelligible.

Ma ma ma ma
Ma ma ma mama ma ma
Hey, um, hey what time is it?
