you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
every time i see you every time i see you every time

you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
ooooo oooo ooo

and i want to be near you  
and i want to be where you are  
you're a steak and i spear you  
get some bears and a sparkle star  
nestle between a worm and rock  
snuggling down for sleep time  
long lazy afternoons spent shearing poodles in the  
park

you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
every time i see you every time i see you every time

you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
ooooo oooo ooo

and i want to be near you  
and i let you dance on my feet  
if i squint i can hear you  
playing all day long in the street  
i look for you're racecar, out on the highway  
then you go zoomin by me, in you're special zoomin  
lane

you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
every time i see you every time i see you every time

you're the one  
you're the sunshine  
you're the one  
you're the sunshine  
ooooo oooo ooo

you're the one
