

Presidents of the United States of America, The "Turning Japanese"

Visit "[Turning Japanese](#)" on MotoLyrics.com

I've got your picture
Of me and you
You wrote "I love you"
I wrote it too,
I sit and stare at it, there's nothing else to do

Oh it's in colour
Your hair is brown
Your eyes are hazel
And soft as clouds
I often kiss you when there's nothing else around

I've got your picture, I've got your picture
I'd like a million of you all to myself
I want a doctor to take your picture
So I can look at you from inside as well
You've got me turning up I'm turning down I'm turning
in and
I'm turning 'round

I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so
I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so

I've got your picture, I've got your picture
I'd like a million of you all to myself
I want a doctor to take your picture
So I can look at you from inside as well
You've got me turning up I'm turning down I'm turning
in and
I'm turning 'round

I'm turning Japanese I think I'm turning Japanese I really
think

so
Turning Japanese I think I'm turning Japanese I really
think so
I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so

No sex, no drugs, no wine, no women
No fun, no sin, no you, no wonder it's dark
Everyone around me is a total stranger
Everyone avoids me like a psyched lone ranger
Everyone

That's why I'm turning Japanese I think I'm turning
Japanese I
really think so
Turning Japanese I think I'm turning Japanese I really
think so
I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so

Turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really
think so
(think so think so think so)
Turning Japanese I think I'm turning Japanese I really
think so
