Here she comes, I look at my feet and forget how to  
breath..  
She says hello (hello hello), I say 'ah, oh', she giggles  
and leaves...  
It happens a lot, I wob with demention  
She's always so hot, I can't deal with attention

Oh, but what else can I do?

I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, ooooooh  
yeah

There she goes, she's on a fabulous date without me  
sit home alone (alone, alone) deconstructing the ads  
on tv  
I hate her so much, don't know how to reach her  
I like her a lot, should I talk to her teacher?  
No but, what good would that do?

I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, oh oh oh

You're like Charlie Brown, in love with a cute little  
redheaded girl  
She's walking around (around,  
around), I can't even speak 'cause' my blood's in a  
whirl  
I hate her so much, I buy her chocolates and rings  
(chocolate rings)  
I just wanna talk ya know? Is that such a bad thing?  
No but, what else can I do?

I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, ooooooh  
I got useless crushes on fabulous redheads, oh oh oh

I wish I knew her name...
