Baby, oh baby, tell the man at the ticket stand  
That you've changed your mind  
Well, let me run on out and tell the cab to keep his  
meter flying  
'Cause if you say goodbye to me babe you're gonna  
break my mind

Break my mind, break my mind.  
Well, I just can't stand to hear the big jet engines whine  
Break my mind, break my mind, oh lord  
If you leave you're gonna leave a babbling fool behind.

Baby, oh baby, well, let me take your suitcase off of  
that scale in time  
Just tell the man that you suddenly developed a thing  
about high flying  
'Cause if you say goodbye to me you know you're  
gonna break my mind  
Well, if you leave you're gonna leave a babbling fool  
behind.

Well, if you leave you're gonna leave a babbling fool  
behind...
