There's the closet full of dresses that i bought you  
and here's the keys to the new car in the drive  
And before you leave our room put on your best  
perfume  
If you're gonna do me wrong, do it right

Oh the next time the phone rings I won't answer  
I don't want to be the fool I was tonight  
I don't want to know the truth I don't want to see the  
proof  
If you're gonna do me wrong, do it right

Chorus: If you're gonna break my heart all to pieces  
Just walk right out and leave me and let's end it for  
tonight  
Take off your wedding band when he takes you by the  
hand  
If you're gonna do me wrong, do it right

Take off your wedding band when he takes you by the  
hand  
If you're gonna do me wrong, do it right
