We said our goodbye long ago  
Never thinking we'd miss each other so  
All the memories we must leave behind  
Or we will just go out of our minds.

I thought I loved another, not you  
Oh, how foolish I felt the same too  
They both turned out to be the wrong kind  
Oh, we must have been out of our minds.

Let's forgive and forget the life we've known  
And cast aside all the seeds we have sown  
Surely they can forgive us in time  
Oh, we must have been out of our minds.

Did it just turn out to be the wrong time  
Or did we just go out of our minds?...
