Oh, you say it wasn't your fault
The reason that you're late
You've had some good excuses
And your alibis are great.

You'd think by now you would have
Used up all your lines
Who are you gonna
Blame it on this time?

Get it out in the open
So I can plainly see
You have never failed
At makin' me believe.

Oh, I can't wait to hear
I like to see you shine
Who are you gonna
Blame it on this time.

Oh, I want to believe you
And I do every time, mmm, mmm
It's what keeps us together
And that's fine.

So, I can't wait to hear you
I like to see you shine
Who are you gonna
Blame it on this time.

Oh, I want to believe you
And I do every time, mmm, mmm
It's what keeps us together
And that's fine.

So I can't wait to hear you
I like to see you shine
Who are you gonna
Blame it on this time?

So, who are you gonna

Blame it on this time?
