(W.H.Bradford)

I put away the groceries  
And I take my daily bread  
I dream of your arms around me  
As I tuck the kids in bed.

I don't know what you're doin'  
And I don't know where you are  
But I look up at that great big sky  
And I hope you're wishin' on that same bright star.

I wonder  
I pray  
And I sleep alone  
And I cry alone.

And it's so hard livin' here on my own  
So please come home soon, come home soon

I know that we're together  
Even though we're far apart  
And I wear our lucky penny  
Around my neck pressed to my heart

(And) I wonder  
I pray  
I sleep alone  
I cry alone.

And it's so hard livin' here on my own  
So please (come home soon.)

I still imagine your touch  
It's beautiful missing something that much  
But sometimes love needs a fighting chance  
So I'll wait my turn until it's our turn to dance.

I wonder  
I pray  
I sleep alone

I cry alone.

Without you this house is not a home  
So please (come home soon)

I walk alone  
I try alone  
And I'll wait for I don't want to die alone  
So please come home soon..

Come home soon.

Come home soon...
