Nasty and Jerome are very naughty

you jewdemi pricks  
beth youre fat!  
once and always.....  
(Nasty)  
Nasty Hazzard and MC Jerome  
phenomally stoned on the microphone  
were seizing rap like caesar seized rome  
remembering chivalric you aint alone  
name is nasty life full of hazzard  
maverick regenade life full of daggers  
life for me is music my passion  
sex drugs dont  
i like fashion  
ecko  
academic flatcaps, do-rags  
masturbate to my porno mags  
smoke the joint of hatred  
everyone says that im  
al-ways be-la-ted  
out of time  
but always benign to my friends....  
i show no benevolence so much eloquence  
when im chung my raps have no relelvance  
ding my boy jerome  
tell him to leave home, come get stoned  
im ever so prone to prevail in my zone  
knight in shining armour  
hit you with the drama - released by the karma  
and cos i kneel down to the king gimme a ding  
and i might just say  
bing bong!  
(Jerome)  
i snap like king kong

so dont get in my way cos i never am wrong  
i would spitroast you but that takes too long  
what im here for tonight is to get fucking monged  
monged off my face  
its a fucking disgrace, lights make you so dizzy  
acting oh-so silly  
playing games all night like  
budweiser  
check that bitch out i got my eyes on her  
my rhymes so deep im sharp as razor  
never lost my gift despite being such a blazer  
underestimate me ill shock you like taser  
and then make you eat my fucking shit....  
but ill let that go this time  
even though you messed up my fucking rhyme  
i think that its time to hit the dro'  
get ready for it dont be too slow man  
this dont shower man  
fo' sho'  
dez dez my man you my hero  
chorus:  
(Jerome)  
someone set me B's on zoot or ill kill 'em  
on second thoughts set me draw for a min and ill bill  
'em  
up a nice L yeah that will just chill 'em  
then well play bing bong until we just drill 'em  
(Nasty)  
50 second joint rinse sure will kill 'em  
zoot upon zoot but let jerome bill 'em  
get out the beers yeh we should just chill 'em

then comes bing bong nasty just thrill 'em  
(Repeat chorus)  
(Nasty)  
im the best i dont come from the west  
im north all my life  
and im feeling the strife, the strife is rough i got cut by  
a knife  
nine times yeah you dig my rhymes  
blazing make you feel like running a mo-no-po-ly  
sitting in a bar looking pretty just sipping shandy  
--- lets pick up a key of draw  
and smoke it all in the school  
dont need motivation, renotation, its my location that  
breeds my vocation  
alienation hazzard has no patience  
fuck with me its all dilapidation  
pTc gonna fuck you up  
all you jewdemi pricks we wont back you up  
nasty hazzard dont take liberties

dont you fuck i got history  
who do you think taught you to bust knees now  
who do you think taught you to smoke trees  
Josh Es, Apple Cs, Hydraulic Bs and Jamie Ts  
i set J a ding-a-ling  
if he gives me a bing-b-bing-bing-bing-bing-bing  
(Jerome)  
bong!  
dont you see my point  
all i wanna do is blaze a joint  
i dont care what it is roll up a bob marley  
get it toking like heaven  
that would be gnarly  
make sure its all spread though - proportionate  
a rip on that end would be unfortunate  
mess my zoot ill get the UCS army come down on you  
like a fucking tsunami  
this shits good  
get that copy and pasted  
and meanwhile make sure i get fucking wasted  
cos i remember the times of pokemon blue  
like when charizard 'gainst pikachu  
shit use tailwhip to bring defence down  
diminishes hit points - bring 'em to the ground  
get scooped by onix while battling rock  
pikachu attacks but no  
effect from thundershock  
i think that the situations getting quite hairy  
might be time to bring on clefairy  
looks like dead meat all she does is just sings  
but pidgeots here now spreading her wings  
looks like onix just got dusted  
its super effective rock just got busted  
got your first badge now - good on you ash  
and look - you even got a shitload of cash  
shame that your mum has got bare fanny rash  
and that you cant come here and spark up some hash  
dont worry too much  
just go home cos my batterys dead  
dont fuck with jerome  
(Chorus)  
(Repeat Chorus)  
Chicken Dippas! Bruuup brrrruuup  
Jewdemi pricks Bruuup brrrruuup  
Dj hydraulics Bruuup brrrruuup
