I knew you should go back where you came from
I knew you should run far away
The moment I saw you looking my way
I knew you would never be the same again

I'm like a stagecoach criminal
I'm like the ocean's bitter wave
I can take more than I promise
Before you even knew I got away

I knew you would never see it coming
I knew you would fall into my hands
It was my best chance to get what I wanted
I had no intentions of keeping you

I'm like a stagecoach criminal
I'm like the ocean's bitter wave
I can take more than I promise
Before you even knew I got away

If I can catch you when you're needy
It's like highway robbery
Cause I can take more than I promise
So won't you come along with me

Cause I'm like a stagecoach criminal
I'm like the ocean's bitter wave
I can take more than I promise
Before you even knew I got away
