Take a trip down lover's lane
Take that trip,
it's time to play
Adult entertainment,
you must be of age
Come and get wild,
climb out of your cage
xxxTriplex
You feel like you're
under the spiked hell
The crack of the whip gives great
thrills
She soars to heights,
loves her delights
The foreplay is gone,
the seduction is on
She's the ultimate pro who puts
on the show
As she had me tied she molested my
mind
Exciting
her
seep, I could have cried
Now I know how she loves
to be wild
xxxIn her pants
You took a trip down lover's
lane
Now you're gone, you won't be the same
Cinema
fantasies,
night clubs and shows
All the women, you never can
know
