MUSIC MAN

sing your song sweet music man

but i won't be there to hold your hand like use to

you know it's really true

you're a hell of a singer and a powerful man

yet you surround yourself, with people who demand

so little of you

you touch my heart with your beautiful song

you even had me singing along right with you

and nobody sings a love song quit like you do

and nobody else can make me sing along

nobody sings a love song, quite like you

Come bring me your softness

comfort me through all this madness

don't you know with you i'm born again

comme give me your sweetness

here with you there is no needness

lieing safe within your arms i'm born again

i was half, not whole, instead with none

reaching through this world

in need of one

come show me your kindness
in your arms i'll know i'll find it
don't you know with you i'm born again
lying safe with you
i'm born
again
