I've got a song that ain't got no melody.

I'm gonna sing it to my friends.

I've got a song that ain't got no melody.

I'm gonna sing it to my friends.

Will it go around in circles?

Will it fly high like a bird up in the sky?

Will it go around in circles?

Will it fly high like a bird up in the sky?

I've got a story, ain't got no moral.

let the bad guy win, every once in a while.

I've got a story, ain't got no moral.

Let the bad guy win, every once in a while.

Will it go around in circles?

Will it fly high like a bird up in the sky?

Will it go around in circles?

Will it fly high like a bird up in the sky?

I've got a dance that ain't got no steps, no.

Gonna let the music move me around.

I've got a dance that ain't got no steps, no.

Gonna let the music move me around.

Will it go around in circles?

Will it fly high like a bird up in the sky?

Will it go around in circles?

Will it fly high like a bird up in the sky
