I've been thinking 'bout the risking
All the love and the kissing
All the foolin' around, between you and me
You seem to bring me down

'Cos I'm falling for you
And in a way I already knew
That I would
I just didn't take the chance when i could

And I don't wanna know
The truth, yea I'm already done and it would hurt me so
'Cos I know that you don't love me, don't love me yea

Refrain:

'Cos I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no
I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no

I've been thinking 'bout the talking
The way you're tryin' to make me see
Yea that you really love me
And that I just can't believe 'cos

You know that I'm the one who's calling
And I'm the one who pays
And if everybody else would let you down
You know that I would be there

And I don't wanna see
The way you act
The way I don't matter and I just can't believe
But I already knew that you don't love me, you love me
yea

Refrain:

'Cos I've been, been giving you all that I can give
Been lovin' you all that I can love

Did you love me, love me no
I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no

[Rap]

Yo listen check

I know I never should have told you I love ya
Now we're paying the price and I'm sorry that I hurt ya
It wasn't worth to see you crying, dying inside
I took you for a ride, eventually I had to slide
I was a kid playing games but I know better now
I should have made you my wife that would be better
now
The damage is done, the fun is over
Finally I woke up straight and sober

Refrain:

'Cos I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no
I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no

Oh oh oh oh oh oh oh oh oh oh oh oh

Refrain:

'Cos I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no
I've been, been giving you all that I can give
Been lovin' you all that I can love
Did you love me, love me no
