You've taught me everything
And everything you've given me
I'll always keep it inside
You're the driving force in my life
Yeah yeah

There isn't anything
Or anyone that I could be
And it just wouldn't feel right
If I didn't have you by my side

You were there for me to love and care for me
When skies were grey
Whenever I was down
You were always there to comfort me
And no one else can be what you have been to me
You'll always be
You will always be the friend in my life for all times

Mama, mama, you know I love you
Oh, you know I love you mama
Mama you're the queen of my heart
Your love is like tears from the stars
Mama, I just want you to know
Lovin' you is like food to my soul
Yes it is, yes it is, yes it is

You're always there for me
Have always been around for me even when I was bad
You tell me right from my wrong, yes you did
And you took up for me
When everyone was downin' me
You always did understand
You gave me strength to go on

There was so many times
Looking back when I was so afraid
And then you'd come to me
And say to me I could face anything
And no one else can do
What you have done for me

You'll always be
You will always be the friend in my life for all time

Mama, mama you know I love you
Oh, you know I love you mama
Mama you're the queen of my heart
Your love is like tears from the stars
Mama, I just want you to know
Lovin' you is like food to my soul

Never gonna go a day without you, oh
Fills me up just thinking about you
Oh, lovin' you is like food to my soul
