I never wanted  
I never wanted to be the one telling you this way  
But I can't keep it  
I can't keep this to myself  
Anymore another day

We're holding on to feelings from way before  
What we want, what we need  
Is not there anymore

Refrain:  
We think it's love, love, love, love, love  
But it's crazy  
We can't get it right, still we carry on  
Is this love, love, love, love, love  
Because maybe  
Yea we've been going on far too long

You never ask me, no  
Never ask me how, how I felt those times you went  
away  
You don't need me no, no  
You don't show me that you want me  
I'm just hangin' in your way

We're holding on to feelings from way before  
What we want, what we need  
Is not there anymore

Refrain:  
We think it's love, love, love, love, love  
But it's crazy  
We can't get it right, still we carry on  
Is this love, love, love, love, love  
Because maybe  
Yea we've been going on far too long

Aah  
Fighting for a reason that I can't ignore  
What we want, what we need  
Is not there anymore

Refrain:

We think it's love, love, love, love, love

But it's crazy

We can't get it right, still we carry on

Is this love, love, love, love, love

Because maybe

Yea we've been going on far too long

La la la la la la la la

Oh oh oh oh oh

La la la la la la la la

Oh oh oh oh oh
