"Alone Again In Springtime"

Visit "[Alone Again In Springtime](#)" on MotoLyrics.com

the days are getting longer
and the nights they never end
shes in washington tonight
on an 11:30 flight to go back home

the day that i first saw her
september '99
ive never seen her before
but i knew that it was more than just coincidence

(chorus)
summer - when we first met
autumn - i wont forget
winter - she said goodbye
and im alone again in springtime

its been a long december
i hope this year will bring
a summer on my own
'cuz im happier alone again in spring

(chorus)

alone...
im happier alone...
-alone in springtime-
...im happier alone.
