I like goin out  
She likes stayin home  
I like chattin with friends  
She'd rather be alone  
I like I like I like to have some crazy fun  
But she don't, but she don't

I'm into Facebook  
She's always readin books  
She's always talkin bout  
How I dress and the way I look  
She thinks she thinks she thinks she knows it all  
But she don't, she don't

You could say we're a little mismatched  
A little bit different  
But nothin says it better than  
Incompatible  
Couldn't be attached  
It's so impossible  
But nothin says it better than  
Incompatible  
Yeah yeah yeah yeah yeah yeah yeah  
Incompatible

She likes attention  
She can't get enough  
But when the focus is on me  
She's always acting up  
I think I think I think she's trying so hard  
To be something that she isn't  
Something that she won't  
Cuz we're totally different  
We're from separate worlds  
Cuz I like I like I like  
But girl don't like what I like  
Because you don't, because you don't

You could say we're a little mismatched  
A little bit different  
But nothin says it better than  
Incompatible

Couldn't be attached  
It's so impossible  
But nothin says it better than  
Incompatible  
Yeah yeah yeah yeah yeah yeah  
Incompatible

Girl don't try  
To be what you're not  
Because you won't

You could say we're a little mismatched  
A little bit different  
But nothin says it better than  
Incompatible  
Couldn't be attached  
It's so impossible  
But nothin says it better than  
Incompatible  
Yeah yeah yeah yeah yeah yeah  
Incompatible
